

Information for Parents and Students

Grade 9 French Immersion Math - Course B – Semester Two

Mme Valerie Barton Oromocto High School
Room 108 Phone: 357 – 4015
Email: valerie.barton@nbed.nb.ca

ASSESSMENT :

Evaluations (Tests & Quizzes)	40%	Midterm Examination	15%
Practice Work (Assignments & Homework)	30%	June Examination	15%

TOPICS: Exponents (Chapter 2); Polynomials (Chapter 5); Equations and Inequations (Chapter 6); Linear Relations (Chapter 4)

MATERIALS: Pencils, calculator, graph paper, loose-leaf, three-ring binder, erasers, metric ruler, French/English dictionary. **Please note:** Cell phones should not be used as calculators in class.

CELL PHONE ETIQUETTE: In order to focus on instruction & practice work cell phones should be turned off and put away during Math class. Ear buds & head phones should also be put away.

MATH PRACTICE: Students are expected to be responsible for their own learning. Students should plan time for regular Math practice outside of Math class. They should ensure they understand the material and should seek help as soon as there is a problem. Students should also ensure that corrections are made to daily assignments, quizzes and tests. Students should work hard daily to avoid becoming overwhelmed at test and exam time

EXTRA HELP: Extra help is offered at least three mornings per week during DSB (Dedicated Study Block). Students are also invited to use my classroom for Math practice on my scheduled DSB mornings.

ATTENDANCE: Regular daily attendance is key to success. If your child misses a Math class, he/she must catch up on missed work as soon as possible. Incomplete assignments are listed as “Zero” until the assignment has been received. Please encourage your child to be responsible for daily work. Thank you.

WEBSITE for FI MATH Parents and students are encouraged to regularly visit my online FI Math website at <http://mmebartonohs.weebly.com>. Detailed daily class lesson plans, class work and homework are posted on this site. Other valuable information for parents and students re: OHS and FI Math will also be located at this address. This is an excellent resource for students who must miss a class, for student review and for extra practice as well.

FRENCH LANGUAGE: Students are expected to speak only in French in my classroom (as in all French Immersion classrooms at OHS) at all times during the school day. Your support and encouragement in this matter is much appreciated. Thank you.

MARKS - Marks and attendance will be updated and published regularly on the OHS Parent and Student Portals. Families are strongly encouraged to visit the portals often to view student progress.

COMMUNICATION: I communicate regularly with parents and students via email. Please complete the form below with the email addresses which best suit your family’s communication needs for Math 9.

Please sign below and return to Mme Barton (maths 9e) to acknowledge that you have read the above information.

Student Name: _____ Student Email: _____

Parent Email Addresses: Please provide all addresses to receive regular communication updates.

Parent / Guardian Signature(s): _____
